

Changes in the Cashier Office Operation Schedule

Dear Clients!

AO "Mizuho Bank" (Moscow) expresses respect and appreciation for long-term cooperation.

Due to increasing COVID-19 infection cases and according to Moscow authorities' instructions and restrictions, Bank changes operating mode with introduction of 2 (two) working days for cashier office operations in accordance with pre-formed schedule. Such a change will reduce time of stay in office and infection spread risks.

Starting from 28 June cash services will be provided on the following days:

- **Tuesday**
- **Thursday**

Cash services will not be provided on other days.

Remote services terms remain unchanged.

In case any additional information is required, we kindly ask to contact your RM or call us by phone +7 (495) 212-03-33.

Kind regards,

AO "Mizuho Bank" (Moscow)
